EXHIBITION

By Hardware Manufacturers
at Parkersburg Arranged
for By Mr. Doak.

PARKERSBURG Feb. 13.—A. C. Doak, of Graton, secretary of the State Association of Hardware Manufacturers, has been in the city the last few days making preparations for the exhibition of hardware manufacturers which is to be given in this city next week, at the Armory beginning Monday the fourteenth and lasting three days.

The manufacturers themselves are giving the exhibition. Each member of the association will have a separate booth in which to exhibit his goods. The purpose is to show the public new things in the hardware line and to build up the retail trade. Explanations of the different articles on exhibition will be made. The exhibition will be free to the public.

Motion-picture photographs from the United States have proved that it is possible to produce clear films in regions in England where it had been thought impossible because of foggy atmosphere.

SOCIAL

(Continued from page two.)

Enjoyable Dance.
Quite a number of out of town guests from Mt. Lake Park, Fairmont and Salem attended the dance given last evening by the members of the Tom Toi Club in the Masonic temple and a delightful program of dance music of twenty numbers was played by the orchestra.

The patronesses were Mrs. Robert Reed, Mrs. Thomas Kerns, Mrs. H. H. Davis, Mrs. B. Delbridge, Mrs. C. Manley, Mrs. J. R. Hickman and Mrs. John McDonald. About ninety guests were in attendance.

Card Luncheon.
The decorations of St. Valentine's Day were profusely and artistically carried out in all the appointments of the card luncheon given yesterday by Mrs. Robert Shuttleworth in her home on Maple avenue with no special honor guest. Upon the arrival of the guests an elaborate luncheon was served at small tables. Crimson carnations and hearts were used in the decorations.

The hostess was assisted in serving by Mrs. Benjamin Shuttleworth, Mrs. Estelle Shuttleworth, Miss Helen Knox and Miss Margaret Brooks. Later fourteen tables were in play for progressive euchre, and at the close of this popular game attractive souvenirs were presented the guests who had the highest scores.

To Give a Tea.
From 3 to 5 o'clock Monday afternoon the members of the Altar Guild of Christ Episcopal church will give a tea in the rectory of the church and every one is cordially invited to attend.

Study of South America.
The study of South America with Miss Emma Davis as leader, at the meeting of the Missionary Society of the Central Presbyterian church, which was held in the home of Mrs. George M. West yesterday afternoon was one of great interest and much enjoyed by all in attendance.

Eastern Star Meeting.
A number of visitors were in attendance at the meeting of Queen Esther Chapter, No. 111, Order of Eastern Star, which was held last evening in the Masonic temple. The initiatory degree was conferred on four candidates. Mrs. Lindsay, associate matron, of the Buckhannon Chapter, was present and at the close of the ceremonies of initiation an elaborate luncheon was served by the social committee, with Mrs. I. Wade Coffman, chairman, in charge.

Mrs. Cook Entertains.
Mrs. Robert O. Cook entertained a number of her friends last evening in her home on Lee street. There was no special honor guest, invitations being extended to the cast and all who assisted in the musical comedy, "San Toy," recently presented here under the auspices of the Martaco Music Club.

Music and cards were the diversion of the evening and at 10 o'clock a luncheon was served. Covers were laid for fifty-two guests. The hostess was assisted by Miss Atchison, Miss Biddle, Miss Highland and Miss Johnson.

Officers were elected as follows: President, Loretta Flaherty; treasurer, Marie Reynolds; secretary, Gertrude McAttee; Mary Henry presided at the meeting. The next meeting of the club will be held at the home of Mrs. Harriet Hart, on West Main street, Tuesday evening.

Tickets Selling Fast.
A large number of tickets are being sold for the concert to be given here Monday evening in the Masonic Auditorium by the West Virginia University Mandolin and Glee Club and from present indications a large audience will greet the club.
